

2025 Fire Abatement RE-INSPECTION REQUEST FORM

Owners are responsible for contacting the RHHA office to request a property re-inspection BEFORE June 1, 2025. If a re-inspection is not requested, we will assume the work has not been completed and a fine may be assessed.

Once you have brought your property(s) into fire abatement compliance, please return this form to the RHHA office in person, by U.S mail or email firewise.rhha@gmail.com.

Upon receipt, your property will be re-inspected by the RHHA Fire Safety Representative or RHHA authorized personnel. This is to ensure that your property has been brought into compliance or advise you of any outstanding fire hazard violations that still need to be abated.
